

Pratik Bargal

B.Tech CSE (AI) | VIT Pune

■ bargalpratik144@gmail.com | ■ +91 8149107475

■ LinkedIn: linkedin.com/in/pratik-bargal | GitHub: github.com/Pratik144-hub

■ Education

Vishwakarma Institute of Technology, Pune

B.Tech in Computer Science & Engineering (Artificial Intelligence) 2024 – Present

■ Skills

Programming Languages: C, C++, Python, HTML, CSS, Javascript, SQL, Mongo DB

Data Structures and Algorithms

Frameworks & Tools: Tailwind CSS, Git and GitHub, n8n workflow automation

Mathematics for ML: Linear Algebra, Probability, Calculus

■ ■ Projects

DevNavigator – Guided learning/project navigation platform (group project, VIT Pune).

- Built to help students navigate resources for learning and project building.
- Applied programming and teamwork skills to deliver the final project.

Algorithm Comparison in C++ – Implemented & compared Gauss multiplication vs. Karatsuba's algorithm.

- Gained experience with algorithm design and performance analysis.

■ Achievements

Cybersecurity & Ethical Hacking Workshop – Organized by Vodafone VOIS (2025).

Qualified for 2nd Round for CodeVerse Hackthon Organised by Vit Pune (2025)

Qualified for 2nd Round for Indradhanu Hackthon Organised by PCCOE Pune (2025)

■ Interests

- Web development.
- Data Structures And Algorithms
- Automation & low-code tools.
- Machine Learning.
